\$8000 Judgment In City Court On Auto Crash

A city court jury assessed damages totaling \$8000 against the defendant in the final lawsuit heard during a two-week jury setting which was concluded in the court of City Judge Fred D. Schuman here Thursday night.

The suit was the outgrowth of an auto accident which occurred at the intersection of Joy and Wayne avenues on or about July 10, 1960. The plaintiff, Rita Holbrook, alleged that the defendant, Dorothy Rittberger, failed to yield the right-of-way at the intersection, that an auto operated by the defendant struck her and sustained permanent injuries as a result.

The plaintiff had asked for a judgment of \$15,000, including the cost of all hospital care. Testimony in the case was heard Thursday, with the jury returning a verdict at 9:30.

3 Divorce Decrees Final In City Court

Two divorces were granted Saturday morning before City Judge Fred D. Schuman. The first was for Dorothy Rittberger, who was divorced from her husband, John Rittberger, on March 28, 1963, the couple separated March 31 of this year. There are no children. The plaintiff's maiden name of Sheerer was restored by the court.

Ada Waggoner, charging willful desertion, was divorced Saturday morning from Floyd Waggoner. The couple married Nov. 14, 1948, and separated March 20, 1960. There are no children. The plaintiff was allowed to resume her former married name of Langer.

On the grounds of extreme and repeated cruelty, Dorothy Maxine Hayes was divorced from Samuel Leon Hayes on Saturday. They had been previously married and divorced, and are the parents of three minor children, custody of whom was granted the plaintiff. They were married on May 27, 1958, and separated on July 7, 1960.

James McMahon is the name of the plaintiff in a lawsuit which was heard by the city court jury last week, and to whom a judgment of \$500 was awarded. His name had been incorrectly listed as George McMahon in Thursday's issue.

Accident, Natural Cause Verdicts Given

Inquests into the deaths of two Granite City men were conducted Friday night by Deputy Coroner Henry Pieper, with accidental and natural cause verdicts reached.

A jury ruled the death of Ralph L. Jolly, 22, of 2564 Center street, April 22, car-train crash victim, was accidental and due to the negligence of the entire party.

Testimony was heard from the engineer of the passenger train, who said he sounded his warning signal when he saw the Jolly auto in front of the Maryville road crossing.

State troopers related that the Jolly auto had been dragged for a half-mile down the tracks and that it apparently had dived into the front of the northbound Wabash train.

A verdict of death from natural causes, a heart attack, was returned in the death of Fire Capt. James C. Murphy, 48, who collapsed April 20 while at the scene of a shed fire in the 2700 block of Harding avenue.

A pathologist report, based on an autopsy, was read and testimony was heard from firemen, who said that Capt. Murphy was walking back to a fire engine pump to check the pressure gauge when he slumped to the ground.

Motorist In Crash Pleads Innocent

A motorist involved in an accident last night on 20th street near Lee avenue pleaded not guilty to this morning to two charges placed against him by police.

Appearing before Police Magistrate Gasparovic this morning, Billy G. Shelton, 31, of 1901 Third street, Madison, pleaded innocent to driving while under the influence of liquor and driving in the wrong lane. His bond was set at \$250 for a hearing next Monday.

Police said Shelton was driving on 20th street and was involved in an accident with a westbound auto driven by Norman D. Davis, 63, of 1345 Meridian street.

Tony Deneff Dies; Was Victim of Beating Feb. 15

Tony Deneff, 79, of 1128a Madison avenue, Madison, was pronounced dead at 5:30 p.m. Thursday at his home after he was found unconscious while seated in a chair with his head resting on a table.

Madison police said the body of Mr. Deneff was discovered by a tenant who lives in an adjoining room of the apartment above Hilde Drug store.

Police said the man, John Webster, told them Mr. Deneff was not at home when he left at 4:30 p.m. Webster returned about an hour later and noticed that the door to Mr. Deneff's room was open.

Webster said he entered the room and saw Mr. Deneff slumped over the table and summoned Docho Vassileff, their landlord. Deputy Coroner John Sedlack next was called. A physician listed the cause of death as a heart attack.

Deneff, who recently was released from McMillan Hospital, St. Louis, where he had been a paid resident Feb. 16, was released from the rooming house since his release.

He had been the victim of a brutal beating and kicking inflicted by three young men who had entered his home at 1049 Washington avenue Feb. 15, but he had apparently recovered. He had been under medical care for a heart ailment.

In the assault, Mr. Deneff also was struck by a blunt instrument part of the beating was inflicted while a blanket was over his head and his mouth was gagged with a bed sheet, he told police. Strands of the sheet were used to tie him.

One of the trio was quoted as telling another, "That's enough," police related. Money in the elderly man's pockets was taken, they said. He was questioned several times but was unable to give a possible reason for the beating.

Mr. Deneff was taken to St. Elizabeth Hospital and then transferred to the St. Louis hospital. He sustained a cerebral concussion, multiple lacerations to his face, head and left hand, an injury to the right eye and bruises to the chest and stomach.

A retired carpenter, he was a Madison resident for 49 years and a member of the Holy Trinity Bulgarian Eastern Orthodox Cathedral, Madison, and the Podkopa Mutual Aid Society.

Surviving are a sister and a nephew in Bulgaria. He was a bachelor.

Services were held at 1:30 p.m. today at the Holy Trinity Church, with burial at Sunset Hill Cemetery. Arrangements are given in the obituary column.

him, placed his right arm around Will's waist and told him, "This is no game, I mean business."

Empire Cash Register
He marched the attendant into the station and told him to continue to guard him, saying, "I want all the money out of the box." He forced Will to empty the cash register and put the money into a pocket of the tie shirt, and then ordered Will to lie down on the floor.

Closing a door between the store and station, he fled through the front door and across an open field toward Eagle Park Acres.

A green Army "fatigue" cap was found nearby.

\$1000 Lost At Home

Articles worth more than \$1000 were obtained in a burglary at the home of Janine Robinson, 709 Russell street, West Madison, between 7:30 p.m. and 10:45 p.m. Saturday while she was attending a church.

Listed as missing in a report to Madison police were four furs valued at a total of \$1000. A brown stole purchased for \$400; a blue and black portable sewing machine valued at \$250; a .38-caliber snub-nose pistol costing \$50; and a beige dress worth \$25.

A police investigation showed that entrance was gained by breaking out the front door and unlatching a night lock on the inside of the door.

Home Ransacked

A burglar thoroughly ransacked the home of Raymond Thomas, 2713 Madison avenue, Saturday night, but obtained only \$60 from a coin purse. The break-in was discovered at 1:28 a.m. Sunday.

Every room was entered, with clothing and jewelry scattered about. A small chest of drawers was thrown about and onto the floor. It was first thought that the coin purse also was in the chest, but it was found in a bedroom dresser, but it was found empty yesterday among the bedroom debris.

Entrance was gained through a cellar door, and the burglar broke glass in a rear door leading to the basement.

\$12 Taken From Bedroom

About \$12 was taken by a burglar at the Edgar Jones home, 2608 East 26th street, between 7 p.m. and 11:05 p.m. Saturday while the family was away.

The intruder entered through an unlocked rear door and searched a chest of drawers in a bedroom, obtaining \$12 bills and \$6 in coins.

Three Venues Burglarized

Three house burglaries occurring Saturday evening were reported to Venice police within a ten-minute period from 8:50 to 9 o'clock.

One of the three was at the home of George McGovern, 1910 Slough road, patrolman on the Venice department. Articles taken there included a yellow gold pocket watch, set of steak knives, set of salad forks, a pocket police badge, three white shirts, a blue overcoat and a man's dark brown checked suit.

A leather-covered television set was stolen from the home of Eddie Turner, 645 E. 16th street, Venice, police were informed Saturday night. The family was away at the time.

A burglar broke a window from the front door to gain entry to the home of Rose McGee, 535 Garner road, at about the same time. The building was ransacked, but a preliminary check showed nothing missing.

\$125 Taken From Store

A thief made off with \$125 in bills at the Friedman's Exchange Furniture store, 211 Madison avenue, Friday afternoon, police were informed.

Louis Eckles, 57, of 2114 Iowa street, manager of the store, told police that the money was stolen at about 5:30 p.m. and two of them asked to see merchandise.

Eckles, alone in the store, said that while he was showing the merchandise, he heard an alarm bell sound and walked into the room containing the cash register. He saw no one there.

About two hours later, he said, he went to the cash register and discovered the money missing. Denomination of the money was one \$20 bill, ten \$10 bills and five \$1 bills.

Obtain Statements

Madison police said yesterday they have obtained statements from the three victims. Statements from Louis Eckles, 57, of 2114 Iowa street, manager of the store, told police that the money was stolen at about 5:30 p.m. and two of them asked to see merchandise.

Eckles, alone in the store, said that while he was showing the merchandise, he heard an alarm bell sound and walked into the room containing the cash register. He saw no one there.

About two hours later, he said, he went to the cash register and discovered the money missing. Denomination of the money was one \$20 bill, ten \$10 bills and five \$1 bills.

Take was a brown metal toolbox containing assorted open-end and box-end wrenches, a red plastic container holding a set of silverware, men's grey trousers, men's blue trousers

A baby walker was stolen from the rear of the apartment of Mrs. Irngard Kohn, 1311a Nineteenth street, Madison, between 2 p.m. and 4 p.m. Saturday. The German-made vehicle is yellow.

Private Garage Looted

A thief smashed a padlock and slipped off a heavy steel lawn mower and window fan from the garage at the home of George McGovern, 1910 Slough road, according to a report made Sunday afternoon to Granite City police. The theft occurred over the weekend.

Attempted Break-In

A glass cutter apparently was used on the front door glass in a break-in attempt at Victor's Tavern, West 20th street and Illinois avenue early Sunday morning. Granite City police said entrance was not gained.

Boys Admit Store Theft

Madison police announced yesterday that they are referring two Venice boys, aged 14 and 15, to the supervision of the Madison department's youth officer. The Dunbar eighth graders admitted shoplifting a pair of sunglasses valued at 59 cents from the Ben Franklin store, 1441 Third street, last week. The store is managed by John Stanek.

3 Autos Ransacked

Three automobiles all parked in the back lot of Bryan avenue, were ransacked Saturday night with small items taken from all three.

A new city auto license sticker, which was stolen from the auto of Arthur Lewis, 2017 Bryan avenue, was found by Carl Wood, 2013 Bryan avenue, in his auto, which also was looted. Wood said a new unit for directional signals had a handle for the left door window were removed from his car; while Lewis said that in addition to the city license sticker, the thief took from his auto a pair of sunglasses, a book of Chain of Rocks bridge tickets and a mirror from a sun visor.

The third auto belonged to Mrs. Edward Lane, 2533 Rock road, who said some trading stamps and insurance cards were taken from the glove compartment.

threw the auto off the pavement. Motorcyclist hospitalized. Malcolm Wallace, 31, of 1222 Edwardsville road was injured when his motorcycle collided with a car driven by Donald Bricker, 20, of 723 Lee avenue, Madison, at Seventh street and Madison avenue at 3:56 p.m. Friday.

Police said the westbound motorcycle collided with the car at the middle of the intersection as both were attempting turns. Suffering injuries to the left ribs and back, he was taken by ambulance to the half-century-old Elmhurst Hospital. He was released Saturday.

Myron Mathenia, eight, son of Mr. and Mrs. Louis Mathenia, 1641 Spring avenue, suffered minor injuries at 5:30 p.m. Friday when his bicycle ran against the side and rear wheel of an auto at Spring and Bell streets.

He fell toward the car and probably would have been caught beneath it except that the auto was moving so slowly. Mrs. Mathenia related. He was released Saturday.

Members of Rattiff's family attended the meeting.

Motorist Arrested

Erolon Mayes, 34, of 1337 Colville avenue, Madison, was arrested after he had struck two parked cars at 1637 Fourth street, Madison, at 10:30 p.m. Friday, police said. His son, Randy Mayes, five, suffered back and chin injuries, being treated at St. Elizabeth Hospital.

Mayes was charged with reckless driving while intoxicated and driving in the wrong lane. He is to appear in the Madison police court May 20.

Police said the Mayes auto struck a car belonging to Courtland Bonworth and glanced off striking an auto owned by Mrs. Darlene Beckett, 2808 Xale avenue, on the opposite side of the street.

Jones-Rutan Nuptials Are Solemnized At St. Joseph's

Miss Susan Rutan, a daughter of Mr. and Mrs. Bernard Jankel, 2001 Twelfth street, was married to Pvt. Lloyd Jones, son of Mr. and Mrs. Herbert Jones of Chicago, in a ceremony taking place Saturday morning at St. Joseph's Catholic Church. Rev. Charles Mulcrone officiated.

White gladioli, peonies and palms decorated the sanctuary for the 10 o'clock service and white ribbon bows and feathery fern marked the pews down the center aisle.

Given in marriage by her father, the bride wore a gown of white silk organza with a hand-embroidered floral motif edging the scalloped, sabrina neckline. A very bouffant skirt of white tulle, with a hand-embroidered floral motif edging the hem, was worn. The bride's hair was styled in a finger tip veil of tulle. White, long sleeves came to points at the hands and cap of satin lace and pearls held in place a fingertip veil of tulle. Johnson-Whitaker Nuptials At Trinity Methodist

The wedding of Mrs. Geneva Whitaker, 2017 Clark avenue, and Ohio Johnson, 2265 Monroe street, took place Friday evening at Trinity Methodist Church.

The ceremony was performed at 7:30 by the pastor, Rev. J. T. Bryant, in a setting of candlelight, white flowers and greenery. A white picture hat completed her costume and she carried a white orchid and yellow roses on a white ribbon.

The attendants were Miss Shirley Crane and Charles Warmack, a brother of the bridegroom. Miss Crane wore light blue sheath dress styled with a white collar and cap gloves. On

Moose, White City Pin 3-2 Losses On Mercer And Sacred Heart Sunday

One run made the difference yesterday as both Granite City entries in the Southwestern Illinois Inter-City Baseball league dropped to the .500 mark in the young season.

Moose Lodge No. 4 of East St. Louis spoiled the home opening date for Mercer Funeral Home at Wilson Park by turning in a 3-2 win, and Sacred Heart dropped its first game of the season in White City by the same score.

By and large, Sunday was a day of evening up in both divisions of the league. Poochontas won its first game, tripping Maryville 5-4. Troy edged Carpenter 8-3, and Collinsville's Boosters shattered East St. Louis McAttee Glass 11-2 in other action.

All 10 teams in the league, with the exception of the Moose, have now tasted defeat at least once. The Moose have a clear-cut lead in the Red Division with a 2-0 record.

McCaskey One-Man Show
The Moosemen got another sterling mound effort from Larry McCaskey, who set a league strikeout record last week against Poochontas. McCaskey allowed just four hits and was 3-for-4 at the plate himself as he beat Mercer to run his record to 2-0.

He blanketed Mercer until the fifth, when a single by Charles

Johannigmeier, flatter's choice, error and walk produced one Mercer run. Mercer tallied its final run in the eighth on a walk, flatter's choice, single by Jerry Pannely and a sacrifice fly by John Modarski.

McCaskey got things started for the Moose in the fourth when he singled and came around to score behind an error and Don Bruce's RBI single. McCaskey drove in the winners' second run in the sixth with a double after a leadoff walk to Harper, and then had his fingers—and bat—in the Moose one-run eighth which proved to be the decider. He singled after Harper had walked, and Harper scored on a sacrifice fly.

Ron Parker was the loser in relief. Andy Angloff started and went five innings, giving up four hits. The Moose had six safeties. McCaskey helped himself by striking out seven, and walked only three.

Hearts Tie In Ninth

The Hearts were held scoreless until the ninth in another pitching masterpiece by White City's Ron Brunell. White City had scored once in both the first and second stanzas to take a lead which held up until Sacred Heart pinchhitters came through in the top of the last frame.

With one out, Howard Elbertson singled and advanced to third on Catcher Jim O'Master's two-base shot. Pinchhitter Phil Hogan then delivered a single which drove in both runners.

Loser Dan Narrup's control deserted him in the bottom of the ninth, however.

A single, sacrifice, walk and scratch infield hit loaded the bases with one out, and Narrup walked in the winning run. The Hearts totaled six hits and O'Master and Bob Jones accounted for four of them. Narrup gave up seven hits.

Walter Kafka Second In Bowling Meet

Granite City kegler Walter Kafka picked up second-place prize money and a trophy yesterday at the conclusion of the Carling Classic tourney at the Arena Bowl in St. Louis.

Kafka, who recorded the tourney's top scratch score of 702 pins, was in first place until 18-year-old Ray Wells of St. Louis nudged him out on the last day of the tournament, which features top prize money of \$1000.

Wells had a 773-pin total, which included a 156-pin handicap, while Kafka picked up one-third as many pins on the handicap side (54) and had a 756 to go.

Kafka, who rolled 221, 237 and 244 scratch, broke the 700 barrier for the first time in a long bowling career. He is one of about a dozen Quad-City keglers who performed well enough to finish in the money at the tournament.

Vocal Music Festival Tuesday In Edwardsville

About 400 vocal music students from Madison county high schools will participate in the annual county Choral Music Festival tomorrow at 7 p.m. in the Edwardsville senior high school cafeteria. Included will be 70 advanced vocal music students from Granite City high school.

The festival is sponsored by the Madison County Vocal Music Teachers Association. Paul Roloff, Highland, president.

This year's festival will be in the form of a public concert with each of the participating choral groups presenting three numbers under the direction of the participating school's choral director.

The program will close with student and audience participation in group singing led by Warren Simpkins, vocal music director at Granite City high school.

GCBS Jayvees Get 3 Hits But Win, 4-3

Granite City high school's junior varsity baseball club climbed to a 2-1-1 mark in the record books this spring with a 4-3 victory over Columbia Saturday morning at Wilson Park.

The Warrior Jayvees managed just three hits, and took a gift run in the first on four walks. Don Brumfield's club added two markers in the fifth on a single, two walks, an error and Catcher Harry Squires' two-run base hit, the run which eventually stood up as the difference came across on a Columbia error in the sixth.

Bill Llerman, who hurled 6 2/3 innings for the Little Warriors, got credit for the win. He needed help from Perry Tayan in the seventh after Columbia had rallied with two runs. The GCBS Jayvees play in Edwardsville tomorrow at 4 p.m.

Jimmy Brown of the Cleveland Browns won the National Football League ball carrying title for the fourth straight season. He averaged 5.8 yards for 215 attempts.

Speeding Charge

Edgar J. Pratt, 23, of 3131 Wayne avenue, was arrested Sunday afternoon at 23rd street and Madison avenue on a charge of speeding. He posted his driver's license at bond.

Braves Pressed
To Defeat Roxana
Netsters, 4-1

"Closer—much closer than the score would indicate." was Coolidge junior high school tennis coach Bob Wheeler's descrip-
tion of the Braves' 4-1 victory over Roxana JHS in Roxana Thursday afternoon. Coolidge made it 29 victories in succession, but three of the five matches went to three sets before they were decided, and two climbed past regulation scores in both sets.

The Braves' efforts toward re-
cording an unprecedented 30th
straight victory will be severely
tested this afternoon at Country
Day school in St. Louis.

Thursday's results:
No. 1 singles — Rusty To-
buren (C) defeated Ron Leamy

Tiger Netmen Dim GC Title Chances, 3-2

Warrior hopes of winning or sharing the Southwestern Confer-
ence tennis title for the fourth
consecutive season were dealt a
major setback when Edwardsville
high school edged Granite City's
net team on the Wilson Park
courts, 3-2.

Coach J. D. Miller's visitors
but assured themselves of the
title as they swept the doubles
competition and salvaged one of
the three singles matches to im-
prove their SWC record to 6-1.
The Redmen slipped to 5-2, with
both losses having come to the
Tiger racket swingers.

The final outcome rested on
Granite City's No. 1 doubles
team of Max Prusak and Virgil
Kiersey, who engaged in a
battling duel with Edwardsville's
Dave Poo and Noel Lane in a
match that went three sets.

Prusak and Kiersey were down
2-1 in the third and decisive set,
but rallied to 4-5 before Poo and
Lane tucked the match and the
three away.

Action was fast and furious in
the doubles match, with the op-
ponents trading 6-3 victories in
the first two sets while playing
what GCHS tennis coach Dick
Harmon called "the best high
school tennis you'll see around
these parts."

Velvet Slip Unbeaten
One of the two singles vic-
tories which GCHS salvaged was
Keith Velzer's easy 6-0, 6-1 win
over Yarn Nash. Velzer contains
the only undefeated player dur-
ing the Braves' 4-1 victory over
Roxana JHS in Roxana Thurs-
day afternoon. Coolidge made it 29
victories in succession, but three of
the five matches went to three sets be-
fore they were decided, and two
climbed past regulation scores in
both sets.

cording an unprecedented 30th

Records Should Topple On Tuesday During Madison County Track Meet

At least six records may go by the boards tomorrow afternoon and evening in Alton at the annual Madison County track meet—provided expected participants turn in times and distances equal or near to efforts already recorded this spring.

The 14-event program is ex-
pected to be dominated by a
heavily-favored Alton high school
squad. Granite City and Madison
both will send teams to the meet,
together with Edwardsville, Il-
linois, and several other schools.

Trotts Spins 1-Hitter, MHS Splits With Midwest Foes

Cahokia high school hitters
reached Madison starter Mick
Trotts for eight of the team's
nine hits in the first three in-
nings of a Midwest conference
baseball game in Madison Friday
afternoon, and carried home a 3-1
victory.

The previous afternoon, the
Trojans' Dan Trotts had assured
Madison of at least a split in late
week diamond action when he
threw a one-hitter at Bethalto,
5-0.

Graville, understandably nerv-
ous in the most crucial assign-
ment, walked the first two run-
ners he faced, and then gave up
a run in the third inning when
the Comanches tallied four times
in the opening frame. They made
two more hits in the second and
third for their final run.

Graville shut out the visitors
for the rest of the game, and
Cahokia's Charles Webb scattered
seven hits and Madison man-
aged just one run, which came
on Nick Podoba's single and
stolen base and an RBI base
hit by Dick Kisser in the fifth
inning.

Madison threatened to come
back in two other innings. Three
runners loaded the bases with two
in the second inning, and the
Big Green had two hits in the
fourth frame. All five runners
were sent stranded.

Not-Hitter For 6 Frames
Trotts' one-hitter against Be-
thalto Thursday night was the
first of his hitting the first no-
run, no-error game in Quad-
City high school baseball circles
this year.

The only baserunners the
visitors allowed until the
seventh inning came on a harm-
less third inning walk and an
error in the fourth. The WMA
latter runner was retired a few
moments later when the Trojans
turned over their first double
play of the season.

Trotts did not lose his no-hit-
ter in the sixth. Civic Memorial's
Jim George, leading off in the
seventh, tagged a pitch solidly
and lined a single to right. Be-
thalto was left stranded and Trotts
went through the next three bat-
ters.

Shakeup Gives Results
The shakeup in the Madison
lineup proved productive, with
non-seniors turning in good hits
as Madison scored once in the
second and two in the fourth
and seventh frames.

Braves Second In Triangular Meet At Alton

East junior high school of Al-
ton grabbed firsts in eight track
events to win a triangular
meet with Coolidge JHS
and Assumption's freshman
squad Thursday in Alton.

The Braves accounted for the
remaining six first-place finishes,
and did not get much help from
Assumption, which finished no
better than third in any of the
events.

East JHS totaled 65 points, the
Braves 55 and Assumption nine.
Coolidge winners for Coaches
Frank Kraus were Gary Thorne-
berry in the 120-yard hurdle,
Jim Parker in the 50-yard
dash, Gerald DeMontmolin in
the 440-yard run, Ron Selph in
the shot put, Mike Rousseau in
the junior discus and Ron Yates
in the broad jump.

Chuck Weis' eighth grade
team showed considerable im-
provement in a simultaneous tri-
angular meet with East and
Assumption. The Trojans won

Warriors 2-1 Over Weekend

Holder Conquers Wildness, Strikes Out 17 In No-Hit Gem At Waterloo

"It came about two days too late," was Coach Joe Fedora's comment today on a no-hit, no-run pitching gem turned in Saturday by Granite City high school lefthander Joe Holder.

Holder pitched the first no-hitter of his career Saturday in Waterloo as Granite City swept a double-header from a non-conference opponent, St. Peter & Paul, 8-0 and 10-3. On Thursday afternoon against Edwardsville, Holder was plagued by control troubles, had to be lifted in the second inning and was charged with the defeat as the Tigers took over first place in the Southwestern conference, 5-0.

17 Strike Outs
Holder walked six in the first of Saturday's two games, but his fast ball was talking off and he was getting a good curve ball over the plate. He relied on this simple mixture to strike out 17, also a career high.

The Warriors backed Holder with a 15-hit attack, including a two-run homer by Grant Takmanjan. Bob Hoffer had three of the Warriors' hits, while Jim Cavanaugh, Roger Horton, Tony Mance and Holder each had two hits. One of Holder's blows was a triple.

Holder was in trouble only in the first. He issued a pass with one out, and a fielder's choice put runners at first and second. He then came up with two strikeouts.

Jim Jacobson was the losing pitcher. St. Peter & Paul committed six errors, while the Warriors did not make in the first game.

5-Hitter For Corey
Holder's no-hitter partially overshadowed a three-hitter twirled by Larry Corey in the second game. Corey fanned seven and walked four in helping Granite City complete a sweep

of Saturday's non-conference play. The Warriors continued their heavy hitting in the second game, collecting 15 safe blows, including solo home runs in the third by Hoffer and in the fourth by Cather Ken Cook. Both led off with the round-trippers.

Larry Diak and Takmanjan each had a pair of safeties in the second game. Both ballclubs committed three errors. The Warriors scored at least one run in every inning except the first. Gene Schilling was the losing pitcher.

A slim chance that they may be able to salvage a share of the Southwestern loop title goes into the Warriors' game with East St. Louis on Wednesday. Takmanjan is scheduled to hurl that one, and Fedora, whose club is now 11-3 overall and 6-3 in the conference, plans to come back with Holder against Collinsville on Thursday.

Tigers Score Early
After retiring the Tigers 1-3 in the first inning Thursday, Holder could not get anybody out in the second. The Warriors counted four runs on the way to a 5-0 victory which just about doomed Granite City's hopes of salvaging the conference baseball crown.

He gave up three runs on three hits as many bases on balls before being relieved by Larry Diak. The first batter Diak faced singled home the first run of the inning, but two force plays at home plate and a strikeout prevented further damage.

Four runs proved to be more than lefthander Darrell Schilling could handle in the second. The Edwardsville hurler held Granite City to four hits, a double and single by Diak and Grant Takmanjan's brace of two-base blows. But

the hits came without runners on base as Schanke proved a tough competitor in winning his second straight and helping the Tigers climb into second place in the conference.

Diak was effective in relief, and only a pair of ineffect errors GCHS in the fifth, which followed a two-out single and base on balls, kept his six-inning relief stint from being a scoreless one.

Two Most Games
The Warriors must win both tomorrow's contest here with East St. Louis and Wednesday's encounter with the Kahoks in Collinsville to keep alive their SWC title hopes.

Belleville, East St. Louis and Edwardsville all have better chances mathematically of taking the title, especially the Maroons, who knocked off the Flyers Thursday to gain a tie for first place.

Edwardsville holds down third place, and the Warriors are fourth with a 6-3 SWC record. Fedora has named Takmanjan as starting pitcher in tomorrow's game, but is still undecided as to Wednesday's starter.

After retiring the Tigers 1-3 in the first inning Thursday, Holder could not get anybody out in the second. The Warriors counted four runs on the way to a 5-0 victory which just about doomed Granite City's hopes of salvaging the conference baseball crown.

He gave up three runs on three hits as many bases on balls before being relieved by Larry Diak. The first batter Diak faced singled home the first run of the inning, but two force plays at home plate and a strikeout prevented further damage.

Four runs proved to be more than lefthander Darrell Schilling could handle in the second. The Edwardsville hurler held Granite City to four hits, a double and single by Diak and Grant Takmanjan's brace of two-base blows. But

the hits came without runners on base as Schanke proved a tough competitor in winning his second straight and helping the Tigers climb into second place in the conference.

Diak was effective in relief, and only a pair of ineffect errors GCHS in the fifth, which followed a two-out single and base on balls, kept his six-inning relief stint from being a scoreless one.

Two Most Games
The Warriors must win both tomorrow's contest here with East St. Louis and Wednesday's encounter with the Kahoks in Collinsville to keep alive their SWC title hopes.

Belleville, East St. Louis and Edwardsville all have better chances mathematically of taking the title, especially the Maroons, who knocked off the Flyers Thursday to gain a tie for first place.

Edwardsville holds down third place, and the Warriors are fourth with a 6-3 SWC record. Fedora has named Takmanjan as starting pitcher in tomorrow's game, but is still undecided as to Wednesday's starter.

Fluoridation Vote Good Way For Council To Start The New Year

Now that the "pro" and "con" fluoridation talks heard by the Granite City Council in 1957 have been duplicated in 1961, city officials can get to the business at hand—trying to get the action authorized by local voters in the April referendum.

We can think of no better way for the city council to start its 1961-62 year today than by voting for fluoridation of the community water supply to achieve the proven benefits of dental decay prevention. After all, the public has voted for fluoridation and what better guide could there be for their elected representatives?

GC School Administrative Plan Years Ahead Of Other Districts

The present campaign to modernize Missouri legislation affecting the St. Louis school system spotlights the administrative organization already in effect in the Granite City district. The local schools are far ahead of many districts in the U. S. in attaining the type of administrative structure recommended by leading universities, foundations and educational associations.

This comes out in comparing charts of the existing and proposed St. Louis systems. One lists the superintendent as head of the instruction department, with rank only equal to that of the building commissioner, financial administrator, superintendent and counsel. The other, generally regarded as more efficient and less vulnerable to political domination, makes the superintendent responsible to the board in virtually all fields, including instruction, budgeting, personnel, recruitment, purchasing, property and construction.

The latter structure is not perfect but is considered a step in the right direction in the never-ending fight for effectiveness, efficiency and integrity in the educational system. Thanks to basic procedures in effect here and to the board members and administrators who inaugurated the present staff system several years ago, the Granite City district has a sound organizational plan that is the envy of such school systems as St. Louis.

Inhalator Needed At Cayuga Fire Station

The proposal for purchase of an inhalator for the Cayuga street fire station is sound, since the railroad crossing separating the West Granite City area from the main fire station is a pertinent consideration.

A nuisance to regular traffic, crossing delays can be crucial in the case of inhalator trips, which always are urgent. The issue of life and death, with fleeting seconds often the determining factor, justifies such an expenditure by the city.

You may live through 1961 if you continue to drive carefully and watch out for the other fellow.

Two Boosts Given To Local Industrial Development

Industrial development in the Illinois Metropolitan Area received two boosts last week, when it was announced that the state plans increased efforts toward attracting industry to Madison and St. Clair counties and that the Illinois Power Co. will extend its activities in this field. With these and other programs, plus greater general awareness of the need, prospects for turning hopes into reality appear unusually bright.

Frank Kirk, new regional director of state industrial planning, points out that such development means much more than encouraging new plants to locate here, though they are welcome and have much to gain from the spacious and ideal sites currently available. Other factors are a climate conducive to expansion of existing industries, recreation and tourism, resource development, local and county planning and zoning and long-range research. The state's interest, its assignment of special representatives for this area and its liaison with the federal government and local agencies, boards and commissions should prove invaluable.

Favorable news from the electric and gas utility includes plans for additional power generating capacity; continuing expansion of its ability to meet the need for gas; retention of E. G. Schmitt as area manager, with special emphasis to be placed on industrial development; and the company's plans to provide technical assistance and to engage industrial consultants in aiding a systematic and continuing program for local development.

There is no single answer, no simple formula for ensuring rapid, orderly industrial growth—a goal essential to maintaining prosperity and availability of jobs in this region. But with the known guideposts, and help of the type just announced, the goal is attainable.

Full-Color Page A First For This Newspaper, Area

Colorful, wasn't it? We refer to Page 25 of the April 27 issue, which was the first four-color advertisement ever printed in the Press-Record. We call attention to it because such a mechanical feat is rare for a newspaper and community of this size.

Four-color advertising in this case meant red, yellow, blue and black ink on the white newsprint. Since these colors are blended together, every color of the rainbow can be reproduced, as evidenced by the green, brown and other hues and shadings included on the Pepsi-Cola page. Four-color, thus, means full-color.

We hope we will be pardoned for calling attention to it, but the occasion marks another significant advance for the Press-Record and its readers, made possible by an experienced mechanical staff and the ultra-modern printing, stereotyping and press equipment in the Press-Record shop.

Boys Hurt In School Mishaps Are Treated

School mishaps resulted in treatment at St. Elizabeth Hospital Friday for George Moore Jr., 13, son of Mr. and Mrs. George Moore, 1929 St. Clair avenue, and Gregory Henn, 34, son of George E. Henn, 2867 Washington avenue.

Moore strained a knee while playing in an athletic game at Granite City high school, and the Henn boy suffered a cut on the left thumb while operating a school band saw. Each was treated and released, Henn at 4 p.m. and Moore at 6:45 p.m.

In other Friday mishaps treated at the hospital, William Steiner, 33, of 904 Greenwood street, Madison, injured his right wrist while working with a lawnmower; Keith Sipes, five, son of Kenneth Sipes, 2721 Dale avenue, caught two fingers in a car door; and Pamela Williams, four, 3408 Lydia lane, suffered a dogbite on the right middle finger.

Emergency cases Saturday included Mike Vaughn, 10, son of Jim Vaughn, 2021 Park avenue, who was burned on the right foot at 4 p.m. William Briggs, 1920 Johnson road, was bitten by a dog Saturday morning.

Plans Being Made For Venice June Festival

Plans for a festival to be held June 9-11 in Lee Park were made Thursday night at the Venice city hall during a meeting of committees of the Venice Junior Service club and Venice Lions club.

The festival will be headed by Mrs. Hilda Simmons, president, and Mrs. Lorraine Eastington and Mrs. Elsa Bauer of the Junior service club; and President John Pier and Henry McMullen of the Venice city hall.

Attend Funeral Of Nephew Mrs. Ann Burnett of Lee avenue and Mrs. Ben Clinton of Madison returned Friday from Kokomo, Ind., where they attended the funeral Thursday of a nephew, Elmer J. Stokes, who died at his home there of a heart attack.

284 Rabies Shots Given

A veterinarian inoculated 284 dogs against rabies Saturday at the Venice city hall, increasing that city's total to 139. He also had inoculated 145 in two visits to Madison for a two-city total of 284 in the joint program. The shots are required before issuance of city dog licenses.

SIDELIGHTS from SPRINGFIELD

By Rep. PAUL SIMON

A few weeks ago Gov. Kerner mentioned in a message to the legislature that the state's pension funds need to be put in better shape.

That statement produced no headlines, but it is important to all Illinois citizens—particularly teachers, policemen, firemen, and others who are looking to a city or the state for a pension at some future date.

Let's take as an example the pension fund in the worst shape—the State Teachers' Retirement System, the system for all teachers outside of Chicago.

Those responsible for administering the fund for some reason seem to feel it is necessary to tell teachers the fund is in good shape. I've spoken to teachers' groups occasionally and told them they should be watching their pension funds carefully. All over every time a week or two later I'll receive a letter from a teacher stating that she was told by someone she wrote to that the funds are in good shape.

What are the facts? The Pension Funds Commission and the nation's leading expert in pension funds, A. A. Weinberg, both have warned the state that the situation is not healthy. Weinberg reports that the system "is in a precarious financial state. Its financial condition has been steadily deteriorating throughout the years."

There is a total of \$150 million accumulated in the fund at the present time, but the expenditures of the system for the last year were \$140 million more. This is on the basis of carefully studied needs in the years to come.

This \$480 million is referred to as the "unfunded liability." As of June 30th of last year, it was \$480 million.

For some time A. A. Weinberg and Rep. Noble Lee, Republican of Chicago, who heads the Pension Funds Commission, have been warning that things are not good.

Fortunately for the teachers and the state, Gov. Kerner plans to do something about it. But the situation demands constant attention by teachers and by all others who are involved in pension systems.

Vandal Uses Concrete To Break Store Window

A vandal broke an 8x8-foot plate glass window in the vestibule of the American Sales Co. store, 314 State street, Madison, apparently with two small pieces of concrete, police discovered while on patrol at 11:45 p.m. Thursday. Entrance was not gained.

At 4:40 a.m. Friday, police noted that the wind had blown down more of the glass, creating a large opening. William D. Harrison, manager of the store, agreed to have the window boarded.

Three Cars Damaged In Crash On Second Street

Three cars were damaged in a mishap at 6:45 p.m. Thursday in front of 1708 Second street, Madison. Emilie S. Boyd, 19, of 2208 August street was driving west on Second when her car crossed the street and its left side hit the front of the auto of Nadine Summers, 2306a Madison avenue, parked facing east, police said.

The rear of the Summers auto also was damaged when it was thrown against the front of the car of Alfred R. Watson, 2533a Benton street, also facing east immediately behind the other parked vehicle. Police quoted the driver as saying she was looking out the back window for relative when the crash occurred.

Air Force Information Post Held By William Simpson

Airman William R. Simpson, son of Mr. and Mrs. William Simpson, 2028 Lindell blvd., is serving as information services specialist in the Tactical Air Command, Myrtle Beach Air Force Base, S. C.

A graduate of Granite City high school, he recently completed basic training.

Port Development Plans Progressing, Lions Told

John Barron, retired Coast Guard Commander, who is general manager of the Tri-Cities Regional Port Authority, told the Madison Lions Club Thursday night that plans on the proposed port development here are progressing at a satisfactory rate.

Speaking in general terms, Barron pointed out that vast new facilities are being planned to encourage water borne freight hauling, which would stimulate existing industry and attract new manufacturing concerns.

Barron cited economy in using barge transportation and mentioned that the port here would be an originating point for shipping to all parts of the world.

The project, he said, is to be financed from sale of revenue bonds and that some funds have already been made available for engineering groundwork, currently in progress.

The talk was heard by 35 members.

Traffic Arrest

A charge of failing to observe a stop sign at 14th street and Washington avenue was placed against Marjorie Winn, 35, of 1638 Delmar avenue, who was arrested early Friday morning by Granite City police. She was released on \$11 cash bail.

GLENVIEW CIVIC GROUP CHOOSES OFFICERS

The April meeting of the Glenview Civic and Improvement Association was held Thursday at Wilson school.

Guest speaker was Emerald Davies, and Mike Mooshegan conducted the meeting. Copies of the by-laws were distributed, and the unit voted to accept them.

Election of officers was held, with Mooshegan nominated and elected as president; Jack Melson, vice-president; Mrs. Dorothy Young, treasurer; and Bert Ahrens, secretary. Members of the board of directors are Gene Buzan, Mrs. Zelma Brookshire, Paul Vitale, Mrs. Alma Burnett, Ed Therrion, Bill Cedor, Bill Bollinger and John Young.

The membership committee chairman is Mrs. Beverly Singleton and members are Mrs. Do Melson, Mrs. Ruby Wier, Mrs. Virginia Heing and Ken Turner. Activities committee chairman is Bill Cedor, and members are Ed Therrion and Mrs. Mary Zilliken.

Davies spoke on his knowledge of the different projects the unit could pursue, and offered assistance in an advisory capacity at any time. The meeting adjourned, and refreshments were served.

State Legislature Begins Work On Tax Boost Proposals

(Special From Springfield)

The State administration tax program for the 1961-62 biennium began its way through the mazes of the Illinois General Assembly last week. All but one proposed tax hike made its appearance and were sent to committees in both houses of the Legislature. Still to appear is Gov. Otto Kerners' proposal to boost the state corporation franchise tax from 1-20 of 1% to 6/20 to raise \$80 million in additional revenue.

A maneuver in the House by Speaker Paul Powell (D-Vienna) is expected to give the governor's proposals an advantage. Powell reportedly will send the administration's revenue bills to the newly created House Governmental committee, headed by friendly Rep. Leo Pfeffer (D-Seymour) instead of to the House Revenue committee, which has Rep. John K. Morris (D-Chadwick) as chairman. Morris is known to be opposed to broadening tax bills favored by Kerners.

Introduced last week were Kerners bills to raise an estimated \$318 million in additional revenue and which Kerners is counting on to balance his record-breaking biennial budget of \$2,854,047,200.

The new or increased tax bills call for half-cent increases in the state sales and use taxes and for broadening of the bases of both, with certain exemptions, to raise an estimated additional \$272 million.

The exemptions in the broadening bills would relate to the print and the tool-making industry, opposed by Representative Morris, who is chief author of another set of broadening measures which exclude all exemptions. Other Kerners revenue proposals offered last week include a new one-cent tax on cigars, a 5% tax on receipts of motels and hotels and an increase in taxes on cigarettes from three to four cents a pack. The Kerners strategy in sending the governor's revenue measures to the Governmental committee, authorized by Rep. Warren L. Wood, (R-Plainfield) to serve as a watchdog over state spending and the House's "no tax" endorsement. They fear Morris might stall the broadening bills.

Post Office Carrier, Clerk Forms Available
Applications for Civil Service examinations for career appointments of post office clerk and carrier at the Granite City post office will be available at any post office, through May 22, it was announced today by Rep. Melvin Price.

Written examinations for the positions will be given in East St. Louis at a date to be announced later. Complete application forms must be filed with the Executive Secretary, Post Office Department, U. S. Post Office, Springfield, Ill., postmarked on or before the closing date.

Applicants should be at least 18 years of age and a bona-fide resident of the area within the delivery radius of the post office. Persons presently employed under temporary or indefinite appointment or eligibles on the current register at the post office should file for the examination if they wish to be considered for permanent appointment.

Robert Wesley Serving In Air Force Education Post

Airman Robert M. Wesley, son of Wallace M. Wesley, 2612 East 24th street, has been assigned as education service specialist in the Strategic Air Command, Wurtsmith Air Force Base, Mich.

A graduate of Granite City high school, he recently completed basic military training. He attended the Alton Branch of Southern Illinois University.

Voting By Proxy Debate

The House expressed a mild opinion last week when Rep. William E. Pollack, Chicago, Republican floor leader, raised a question as to the propriety of many members voting by proxy. Pollack objected to their leaving the House to attend to business in their absence. More than a score of representatives have given permission to do so but Pollack warned it was setting a bad precedent.

The question arose on a bill to transfer \$15 million from the earmarked fund to the general revenue fund for approaching depletion. Pollack and other House critics claim the proxy system of voting is undermining the committee system and making the appearance of witnesses before committees a mockery.

Rep. A. L. Stanfield (R-Kanana) warned he will start next week to introduce legislation to prevent permission for leave to vote by proxy.

George S. Brydies (R-Prophetstown) warned the method of voting proxies was for each two years of the life of the House is to transact any business. Ordinarily the proxy system of voting is used chiefly by committees where legislators have often had a conflict in their own minds.

The House last week passed 158 to two, and sent to the Senate, a bill to authorize the state to pay up to \$100 a month to parents who have placed their children in private institutions while awaiting admission to state schools at Dixon and Lincoln. Rep. Bernard Pask (D-Chicago), said it costs from \$130 to \$200 a month, some times as much as \$200 a day, to place such handicapped children in private institutions.

Legislation to increase salaries of General Assembly members from the present \$12,000 to \$15,000 was approved by an Assembly to \$20,000 was recommended for passage last week by the House Education committee. The measure, sponsored by Rep. Robert Casey (R-Aurora), has a provision that would require a member could not be on the payroll of any state agency or institution while serving in the Assembly.

The bill is aimed at these law-

makers who hold other government jobs while serving in the Legislature

although many claim they take leave of absence from their extra-curricular jobs while in the Assembly is in active session. A number of senators and representatives have attorneys for cities and other local government divisions throughout the state. Casey said Pennsylvania already pays its lawmakers \$10,000 a year.

New legislation last week included a proposal to allow persons serving county jail sentences to hold outside jobs or attend schools, that a sheriff or a county aid department should endeavor to obtain work for jail prisoners. State Sen. Robert R. Canfield (R-Rockford), the bill's author, said the measure is intended to prevent a jailed man's family from becoming a public charge and to keep him from losing his job.

Senator Canfield, who sponsored a bill two years ago to allow persons to work outside of their families, said his newest proposal has been in effect in Minnesota for the last four years. Wisconsin made it a law that "they have worked extremely well in both states."

The Senate Executive committee last week approved a bill to create a commission to study tax problems although it is expected to be sent to the Committee Chairman Merritt J. Little (R-Aurora) that "I am fed up with the tax problem."

Other new legislation last week included a proposal by Representative William E. Pollack (D-Chicago) to require a constitutional ceiling on state spending. Wood's legislation would limit spending at the rate of \$250 per capita which would limit all state spending, regardless of source, to not more than \$234 billion a biennium.

Wood said that under the 1960 census, the state would limit spending to \$2,320,288,500 for a two-year period comparable with the Kern-

er budget calling for \$3,148,000,000.

Wood said "we must cut the suit to fit the cloth. I am sure no politician could keep the state from going broke if people amend it if the legislature will put it on the ballot. We are looking for a little ground to solidify each year and something must be done about it."

Robert Dick Douglas Jr., a great-grandson of the man Abraham Lincoln defeated to prevent him from becoming chief justice of the United States, said he recalled his ancestor came to Springfield at the request of the Illinois legislature in support of the Union cause and that the "Little Giants" last advised him to support the Union cause.

Lutheran Church Gives Views On Gambling Proposal

A stand against a proposed amendment to the state constitution to permit charitable, religious, educational and fraternal groups to conduct fund-raising games has been taken by the Lutheran Church in Illinois.

Rev. Alfred Bus, pastor of Hope Lutheran Church, 2011 Garfield avenue, in outlining the policy of the Lutheran Church, stated:

"Lutherans view the issue of gambling in any form—in the light of the Christian faith, the faith which believes Christ came to give His life for the sin of the world and to help men live new lives in conformity with the teachings of the Bible."

"That central fact guides and determines all Christian judgment on moral and social questions. Basically, greed is the motivation for gambling, and whatever else one might want to call it, it is a sin."

"All gambling, including bingo, or whatever else one might want to call it, is a sin. It is a sin that something can be had for nothing. Actually, someone always pays, and quite often the loser—the one who pays—is the one who is least able to sustain the loss."

"Gambling is against the best interests of society. 'Wealth is the Mother of Evil' is a known fact—and welfare workers can testify to the truth of this fact—that much of the misery and suffering of human misery is brought about by gambling—broken homes, neglected children, mental and physical disorders. However, the greatest tragedy is the fact that the gambling weakness of the moral fiber of our citizenry."

"The fact that there is grave concern throughout our nation for undergirding the morals in all phases of life is unthinkable that we should seek to make an evil practice respectable by lowering the legal threshold."

"Any kind of gambling for charity lacks proper motivation. By legalizing any form of gambling for charitable, religious, educational or fraternal purposes, we as citizens would give support to the mistaken idea that the end justifies the means."

"Institutions of education are being wrecked, today, to the detriment of our youth for purposes of living. Gambling, which is a weakening effect on our educational objectives by which we seek to develop all productive capabilities, social sensitivity, strength of character, and spiritual awareness."

"By legalizing gambling to support our educational institutions we are saying in effect to our youth: 'We adults are unable to provide you with an adequate education except through the raising of funds via gambling.'"

The impression is being given in Illinois to give their youth: 'We adults are unable to provide you with an adequate education except through the raising of funds via gambling.'"

"Charitable and fraternal organizations must reaffirm the principle that consideration for the neighbor's welfare is paramount, and that compassion for others can be the only worthwhile and effective motive for supporting charitable enterprises."

"Can a benevolent (charitable or fraternal) organization claim to be interested in the welfare of people, if it can only assist them in the pocket money through gambling, which, in turn, does and will often make him one of the needy?"

"Toleration—Free-Will Giving. The church, in planning for its financial support, must reaffirm among its members the true motive for free-will giving, namely, love for Christ, who gave Himself for the salvation of men."

"Gambling remains gambling, regardless of its name, regardless of the use of the profits. 'Citizens of a religious community are concerned about obeying the moral law of God, which is fundamental in our government and society. Therefore, the question, 'Is it moral?' supersedes the question, 'Is it legal?'"

"The line is bigger than the legislation of what some have called 'Innocuous parlor games' enjoyed primarily by a small number of persons."

"Legalized games of chance would become big business; consequently, it would attract hoodlums, quickly. It might well be the opening wedge for ever-broadening gambling operations."

"The State of Illinois, we believe, should not give its sanction to games of chance because of its real and potential dangers. Instead, it should give consideration to the enactment of even more restrictive laws concerning gambling."

History Cites Hurdles

Growing demands for recreation have been met in many communities with frustration and despair, but not so in Granite City.

The Granite City park district, currently observing its 40th anniversary, is keeping the situation by offering new programs, and making available more facilities.

Added by the school district, which provides many facilities and centers, the park district plans to launch several new programs this summer in what Harold Brown, assistant superintendent, predicts will be the greatest participation in recreation in the city's history.

Brown based his prediction on record-breaking participation during the winter program in which more than 2200 young people took part in the program.

He credits this to the district's taking programs into neighborhoods, in addition to offering a wide variety of activities.

Planning Program For Elderly. Pointing out that the district provides year-round recreation programs for female and male age groups, Brown mentioned that a program for the aged is in the planning stages and is expected to be launched within a few months.

Recreation, he said, appeals to all age groups and is a means of wholesome diversion in these days of shorter working hours, and more free time.

The district is carrying out successful programs and is doing so because of interest and support, and is executing the wishes of the originators of the district, set in 1921.

The formation of the district started with a petition on which signatures of 100 persons appeared. The petition asked that a special election be held, and on Feb. 19, 1921, voters cast a substantial majority to form the district.

Commissioners elected were Martin G. Stank, John E. Keller, John W. Cundley, William Schooley and Milton Worthen, who is still on the board and is now a citizen.

The next step was to choose a park site. Commissioners picked a tract of land which is now Wilson Park.

To finance purchase of the 56-acre site, a \$15,000 bond issue was voted on and approved by a large majority. Purchase of the site was delayed a year because of a triangular parcel at the south end of St. Elizabeth hospital was acquired. A shelter house was built and the grounds were beautified, under the supervision of Ernst Steiveling, now superintendent emeritus of the district.

Public demand for a large park resulted in the purchase of the park site and it was acquired. The park was opened in 1923.

Through funds of the bond issue, a large, sand-bottom swimming pool was built, baseball fields, tennis courts and playground facilities were added and shrubbery and trees were planted, with grass lawns in open spaces.

With complete purchase of the site, a \$150,000 bond issue was approved in 1930.

Park District Stays Abreast Of Growing Recreation Need

Also a small park in West Granite was bought from the state. In 1936, commissioners added 18 acres of land adjoining the north side of Wilson park.

The addition was bitterly contested by an organized group who arranged for an election to dissolve the district and place its administration under the jurisdiction of the city, but the proposal was defeated.

In the summer of 1939 the original swimming pool was condemned as unsanitary and the district had hit a new snag. But a \$55,000 bond issue was approved and by July 1940, a new pool was built. Out of the bond issue also came funds for completion of paving 27th boulevard and its landscaping and the addition of asphalt tennis courts at the park.

The district has maintained operation and maintenance with a tax of 1 1/2 mills but demands multiplied each year. Softball field lights were provided during depression years and playgrounds at Wilson park were maintained as part of a program of community recreation at Lincoln Plaza community center which was donated to the district by General Steel Castings Corp. in 1941.

Haller Names 3 of 27 County Committees

Appointments to three of 27 committees for the county board of supervisors were announced Thursday at Edwardsville by Chairman Gus Haller, who was elected last Tuesday to his 29th consecutive term as head of the board.

William B. Webb Jr., Granite City assistant supervisor, was named to the right-of-way committee, and Jay D. Maurer, Venice township assistant supervisor, was selected for the civil defense committee.

There are no local members on the new building committee, which also was named with Stephen B. Kennedy of Alton as chairman. The committee is scheduled to open bids today on construction of a proposed Madison county juvenile shelter.

More About All Local Banks
(Continued from Page 1)

It became known that about 45 or 50 banks in St. Louis county would have been sold to larger banks.

He noted that the 15-mile distance limit on extension of a bank's branches does not apply to purchases, nor does a one-mile minimum distance apply in the event of shopping centers.

Effect On Service
Venice Mayor John E. Lee, president of the First National Bank in Madison, said branch banking would lead toward concentration of economic power among a few large banks, with deterioration of services to individuals.

"With today's widespread driving, plus drive-in banking facilities, areas are being served adequately under the present system," he said.

Reports of strong pressure on state legislators have been circulating, and Fischer warned that there are many facets of the branch banking proposal that have not been explored fully.

Among these is the fact that a large bank could vary rates or services at a particular branch to crush competition while making its profit elsewhere in its system, he said.

He described the bill as a "foot in the door" that would lead to unlimited branch banking, which he said has led to banking monopolies in other states.

Johnson directed Friday's activities in the CD quarters in the Madison recreation center, and Mrs. Valeria Evenden was operations officer for the Granite City CD communications test, centered at the Egyptian Radio club.

Actual Emergency
When a radio transmitter actually went out of service between 11 p.m. and midnight Friday, Granite City police received information from the sheriff's office and relayed it to the radio club, enabling contact to be maintained with centers at Edwardsville and Swansea.

Large maps were used to trace the activity, and the group on hand for the start of the fifth national CD alert included Mayor Leonard R. Davis, Police Chief Raymond Williams and a Fire Chief Elijah King.

Two radioactivity monitoring teams from Madison high school participated in that city Friday.

A course in operation of radiological meters will start at 7:30 tonight at the Granite City CD building in the former 19th street fire station, Lewis said.

He will be instructor, and the six-week course is open to the public.

Speeding Arrest
Weekend speeding arrests in Granite City included that of Norman T. Smith, 17, of 2005 Richmond avenue, who was stopped at 26th street and Madison avenue at 1:30 a.m. Sunday.

SCREENS & STORM INSERTS REPAIRED, GRANITE CITY GLASS, 15TH & EDISON.

Edwardsville
A fire of \$10 was imposed Thursday on Isabel M. Borif, 40, of 2635 Delmar avenue, who was arrested for failing to observe a red traffic light at 20th street and Madison avenue.

Madison Trash Fire
No damage resulted from a trash fire at 9:50 a.m. today at the rear of 1829 Market street, Madison. Firemen were dispatched.

Posts Property Bond
Noel Reed, Sixth street, East Madison, in custody at the county jail after being bound over to the grand jury on attempted burglary and possession of burglary tools, was brought to the Granite City jail Saturday evening and released on \$5000 property bond at 8:50 a.m. Sunday.

Vandal Breaks Window
A vandal halted an auto in front of the home of Mrs. Fred Kunemann Jr., 3001 Madison avenue, at 12:25 a.m. Saturday and threw a beer bottle at the kitchen window, police were notified. The bottle broke a storm window but did not damage an interior window.

Youth Legislators Hear Talk By Gov. Kerner

A highlight of this year's YMCA Youth and Government program, held in Springfield Friday and Saturday, was a luncheon Friday presided over by Youth Governor Warren Nash of Granite City with Gov. Otto Kerner as guest speaker.

During the luncheon, Nash read messages to the youth legislators from former Gov. Adlai Stevenson and from the secretary of the National Youth Conference, congratulating the YMCA groups.

The 20 youth legislators from here returned home Saturday evening. In addition to Nash they were Dora Stenberg, Pat Whitcomb, Carol LaMacchia, Carolyn Cervoni, Sandra Coleman, Marilyn Murgic, Linda Vesci, Nancy Blachoff, Judy Rollins, Ruthie Justice, Pam Dyer, Jo Ann Singleton, Nancy Rickett, Lynne Hastings, Walter Maibis, Ronald Randall, Judy Karandjoff, Gene Sine and Carl Murphy.

The group was accompanied by Miss Pat Mega and Don Mega, YMCA teenage directors.

and H. D. Karandjoff, who sponsored the trip.

During a joint session of the youth legislature House and Senate, the young officials were sworn in by Robert L. Conn Jr., clerk of the Third District Appellate Court.

Local Honor Clubs
Announced was the selection of five Granite City Tri-Hi-Y Clubs as "Illinois Honor Clubs."

The announcement was made by John R. Fisher, Illinois secretary, who listed the FI Dele, Gamma Tau, Quin Du, Rho Omicron and Tau Omega PI.

The Youth and Government program was attended by 350 delegates from YMCA through-out the state, and the youthful legislators passed 15 bills.

Among them were those for appropriating funds for special projects by gifted students in the fields of history and government; requiring photographs on drivers' licenses, compulsory polo inoculations for kindergarten pupils and requiring white lines to be painted on the shoulders of all primary highways.

George Haven Is JA 'President of Year'

An all-expense paid trip to the National Junior Achievement management conference at Ohio State University in August is the award won by George Haven, son of Mr. and Mrs. Edward J. Haven of 2548 East 24th street, who was selected as "President of the Year" by Junior Achievement judges Saturday in St. Louis.

Haven won the title over 166 other presidents of students companies at nine JA centers in the Mississippi Valley area. He is currently president of J. A. Dow at the Granite City JA Center, 2009 Madison avenue.

The firm is consulted by Dow Metal Products Co.

Announcement of his selection was made by the Young Presidents' Organization, following judges' review of the records of four finalists.

Also given final consideration were Patricia Graham of the Southside JA center, Mark Hulsman of the Southside center and John Dowd of the Big Bend center, all in St. Louis.

Accompanying Haven to the national management conference will be other officers selected by judges, Vice-President Robert Sklar of the Big Bend center, Secretary Patricia Hunt of the Northside center and Treasurer Fred Neal of the Northwest center.

The Young Presidents' Organization committee which determined the officeholders through final personal interviews was composed of Paul Simmons, president of Simmons-Woodward Printing Co., Ted Kratall, president of Hampton Cleaners, and Joseph Vollman, president of Vollmar Bros. Construction Co.

Haven is a senior at Granite City high school and has been active at the Granite City JA center for the past three years.

MORE ABOUT

Police Urge Driver Tests

(Continued from Page 1)

is a member. Only a physician acting at the request of a police officer may withdraw blood for the purpose of determining the alcoholic content therein. This limitation shall not apply to the other tests.

"The person tested shall be permitted to have a physician of his own choosing administer a chemical test in addition to the one administered at the direction of the police officer. Upon the request of the person who has been tested, the result of such test shall be made available to him."

The bill adds refusal to submit to a chemical test to the list of instances in which the Secretary of State is authorized to take action against a motorist's license.

Suspension or revocation currently is authorized in the event of a driver causing or contributing to an accident resulting in personal death or injury; three traffic convictions within a year; and in certain other cases, including driving while intoxicated.

Similar Laws Elsewhere

Already in operation in eight states, laws specifying mandatory intoxication tests also are being considered by many other states in their current legislative sessions. The basis is a .15 level of intoxication, regarded as an ample allowance for those who have been drinking but are not intoxicated.

The "implied consent" for such tests in accepting a state driving license is spelled out in North Dakota legislation, which contains no provision for a test refusal by a driver.

Nebraska has a similar law which specifies no immediate suspension on a hearing request but a mandatory one-year license suspension if the driver fails to show reasonable grounds for his refusal to submit. Idaho requires immediate suspension pending a hearing if the test is refused.

Other state legislation being cited includes that of New York; Kansas, which orders an immediate 90-day suspension upon a test refusal and hearing request; Vermont, which has ruled that taking a blood test from an unconscious person does not violate his constitutional rights, and that the test is admissible as evidence in a criminal case; and Utah, which has an automatic one-year revocation, subject to showing of sufficient reason for refusal.

Minor Collision

A minor collision between an eastbound truck and auto on the west end of McKinley Bridge at 8:15 p.m. Friday resulted in minor damage.

Ventice police said the truck was driven by P. Hagen, St. Louis, and collided with the rear of a car operated by John Spencer, St. Ann, Mo. Both were eastbound.

Car Windshield Broken

A vandal threw a brick through the windshield of the auto of Van Leonard, 839 Meredith street, early Sunday while it was parked in front of his home, he notified police.

LOCAL JUNIOR ACHIEVER George Haven (right) receiving a plaque signifying his selection as "President of the Year" in the Mississippi Valley JA area from Paul Simmons, president of Woodward Printing Co., St. Louis, and a JA adviser. Haven, president of the J. A. Dow Junior Achievement Co., at the local center, was selected from among 167 candidates for the position.

Mrs. Gertrude Delaney Dies; 60-Year Resident

Mrs. Gertrude Delaney, 78, of 2138 State street died at 2:45 a.m. today at Bernard Nursing Home, St. Louis, where she had been bedfast for three-and-a-half years.

Born in St. Louis, she was a Granite City resident for 60 years, and a member of St. Joseph Catholic Church and Altar Society. Her husband, John, died in 1945.

Surviving are three sisters, Miss Julia Eiler and Mrs. Mary Ann Dalton, both of St. Louis, and Mrs. Frank (Frances) Dahmus, Berkeley, Calif.

Banana fritters are a delectable accompaniment for baked ham. Dip wedges of the bananas in regular fritter batter and deep-fat fry.

Disturbance Charges

Police were called to the 2000 block of Grand avenue about 4:45 p.m. Sunday and took two men into custody on charges of creating a disturbance. They were Elvin Goodman, 42, of 2013 Grand avenue, and Robert Gridler, 37, of 2015 Grand avenue. They were later freed on \$16 cash bonds for hearings this week before Police Magistrate Gasparovic.

Arrest Driver in Crash

Madison police charged Mike P. Fabis, 43, of 914 State street, with reckless driving after the right front of his auto hit the left rear of the parked car of Theodore J. Widel, 1046 Washington avenue, in front of the Widel home at 9:18 p.m. Sunday. He was released on his license until a hearing May 20.

Autos Collide

Involved in a minor accident Sunday afternoon at Nameoki and Edwardsville roads were autos driven east on Edwardsville road by Joyce A. Pasley, 20, of 2830 Myrtle avenue, and Louis Mack, 35, of Alton. There was damage to the left rear fender on the Pasley auto and to the right side of the Mack car, according to police. No injuries were listed.

Granite City

25 YEARS AGO

The following items were taken from the files of the Granite City Press-Record

Monday, May 1, 1936
Approval of plans for a second approach to the proposed Vandalia viaduct was given by Mayor J. E. Lee of Venice and other interested local citizens who met with an official of the state highway department today. The Venice city council has rejected plans for a single approach.

New senior and junior officers of the Granite City chapter of the DeMolays were installed Tuesday. Senior officers include Thomas Studebaker, master counselor; Don Ball, senior counselor; George Eubank, treasurer; Lewis Fossick, scribe; and Richard Hodge, sentinal. Junior officers include Kenneth Butler, master counselor; Victor Damers, senior counselor; Don Strode, junior counselor; Randall Bergfield, chaplain; Dale Hill, treasurer; William Fox, scribe; and Neil Kelsa, sentinal.

P. M. Davidson was elected second vice-president of the Democratic county committee and Roy Lynn was named chairman of the Republican committee during meetings Thursday.

Five new records were set in the dual track meet between Madison and Collinsville Saturday. Pirelli of Madison sprinted 100-yard dash in 10.5; Louis of Madison, who set three new marks, completed the 120-yard high hurdles in 16.3, the 200-yard low hurdles in 24.6, and high jump of 5 feet 6 inches. The green and white team combined to score a win in the 880-yard relay topping another record in running the length in 1:36.8.

Local and area scholarship winners are announced at the banquet, and awards are to be presented to outstanding JA companies from among those in operation at nine centers in the Greater St. Louis area.

Magr, Dennis J. Ryan, prominent Granite City priest, died at 1 p.m. Friday at St. Elizabeth Hospital. Magr. Ryan was pastor of St. Joseph's Catholic Church here since 1913. He was 60 years old. Magr. Ryan was elevated in rank 16 months ago.

Gene Thyson, senior at Community high school, will be valedictorian of the June class, it was announced today. Thyson completed a perfect 5.0 grade. Dorothy Morgan, who has an average of 4.75, will be salutatorian. Other outstanding students are William Weston, with a 4.52 mark; Georgia Porter, 4.43; Ellen Heth, 4.43; Glen Volght, 4.41; Laverne Hurlbrik, 4.33; Jack Poston, 4.31; Phreda McDonald, 4.24; and Dorothy Niedringhaus, 4.17.

Otto Karrer, Republican committeeman of Precinct Nine, was elected chairman of the Tri-Cities precinct committee in a meeting Saturday.

The first aid team of Boy Scout Troop 4 here won second place in the regional contest Saturday at Chicago. On the team were Virgil Blavins, Clarence Wood, Earl McMillan, William Russell and Harold Groves. They were accompanied by Harry Meyer, scoutmaster and Charles Meyer, assistant scoutmaster.

Police clerk, clerks issued a verbal request during the city council meeting for a \$30 per month raise. They receive \$70 now.

Mrs. Alfred T. Smith, guardian of Bethel No. 43, Job's Daughters of Granite City, was installed as grand director of music at the fourth annual Grand Council meeting at Chicago Friday.

Fred Wagner, Arthur Roseman and Douglas Little will represent the local Optimist Club at a district convention at Cape Girardeau, Mo., on May 9.

The Happy Warrior track team of Community high school downed Wood River 68-9, 54-9 Saturday. Local winners were 100-yard dash — Warnock, 11.0; 220-yard dash — Rensing, 26.8; Mile run — Whitaker, 4:58.2; 880-yard relay — Granite City team, Rensing, Valerus, Brown and Warnock, 1:40.3; Broad jump — Allen, 19 feet 3 inches.

The Treble Clef club will present a program at the YMCA tonight. A piano solo is to be played by Miss Frances Hopkins; vocal duet by Miss Dorothy Wood and Miss Charlotte McFarland; sentinal, Miss Lillian Reese, Miss Dorothy Strickland, Miss Martha Cowen, Mrs. Holland, Mrs. McCasland and Mrs. Bowler.

The Madison Firemen's Association last night elected officers for the coming year. Electors were R. E. Strang, president; Julius DeLong, vice-president; Emil Ulanski, secretary; Jack Taylor, treasurer; Pete Boehm, historian; Fred Bonville, chief; George Lybarger, assistant chief; Alvin Runkel, captain; Arthur Moore, lieutenant.

A major building operation in the retail section so far this year is the remodeling of the building of the Dennis Brothers furniture store, Delmar and Niedringhaus. The exterior had been vastly improved and modernized and a sale will be launched on opening day Saturday.

Mrs. Edward Schramm was hostess Tuesday to the Kit Kat Club and entertained guests which included Mrs. Jay Williamson, Mrs. A. H. Ruwisch, Mrs. William Whitaker, Mrs. George Shafer, Mrs. Wilbur Knowles, Mrs. Abe King and Mrs. William Harris.

The Fidels class met Monday at the home of Mrs. Cephart. Attending were Mrs. Arch Douglas, Mrs. Charles Beck, Mrs. Thomas Gattson, Mrs. C. Arford and Mrs. John Clemens.

EASTERN END OF EAST 20th STREET is the scene of activity as work progresses toward the eventual widening and resurfacing under a \$250,000 contract awarded by the state highway department to A. H. Seebold Co. The work is expected to be delayed west of Omaha street, where a city project to repair a 51-inch sewer line has halted.

Second Rate Reduction On Auto Insurance

The five local State Farm Mutual Automobile Insurance Co. agents are announcing their firm's second rate cut in Illinois in nine months, along with a new "safeguard against cancellation." They are Harry and Roy Thebaud, Michael Toudas, Edward Nichols and Joe Hansler.

They said about 90% of State Farm's 400,000 policyholders in the state will get rate cuts ranging from a few cents to over \$14 yearly, depending upon territory, coverages involved and other considerations. New combinations of discounts may save other families even more. The decreases average 5.5%.

Attending Insurance Meet

Mr. and Mrs. John M. Cooper, 2405 Jerden avenue, are attending the Allstate Insurance Co. 10th annual sales "Conference of Champions," at Montreal, Canada. Cooper, local agent, has qualified as a member of the "Honor Ring," organization by being among outstanding sales representatives of the more than 3800 agents.

Charges Against Driver

Fred Singer, 1315 Edwardsville road, was arrested by Madison police at Tenth street and Madison avenue Thursday on charges of speeding and having no right of way on his car. He was released on his driver's license pending a hearing.

Honor Society To Be Feted By Club Yearly

An annual practice of honoring Madison high school students for scholastic achievements will be inaugurated at noon Wednesday when the Madison Rotary club is host to about 30 senior and junior members of the National Honor Society.

Current officers of the society are Cecilia Markuly, president; Andrew Purdes, vice-president; Phyllis Lapinski, secretary; and Kathy Smith, treasurer. Membership in the group is based on grades, character and leadership.

The club honors athletes of the school each fall. Speaker at Wednesday's meeting will be Dr. Frank L. Eversall of Southern Illinois University.

Gitchoff, Hartman Join In Forming Law Firm

Attorney Harry E. Hartman and John Gitchoff today announced that they have formed a partnership, to be known as the Gitchoff and Hartman Law Offices.

They will be located at 1326 Niedringhaus avenue, where Gitchoff has conducted his law practice. Hartman moved his office there last week in establishing it as the location of the new Quad-City justice of the peace court. The new firm is being created effective today and will be devoted to the general practice of law.

Formerly of Venice, Hartman resides in Nameoki township. He is Venice city attorney and was elected in April as justice of the peace for District One of Madison county. Gitchoff, who lives in Madison, is an assistant state's attorney and formerly was Madison police magistrate.

Is hot water rationed at your house?

When you turn on the "hot" water faucet, you want hot water. Do you always get it? Probably your growing family has outgrown its water heater.

Now is a good time to see about a modern quick-recovery water heater. Plenty of hot water is a modern necessity. (A pleasant luxury, too.) Your plumber or appliance dealer can recommend the right capacity for your needs.

Brown To Lead 22 Local Explorers At Conference

Daniel E. Brown, Unihav district Boy Scout executive, has been named to lead a contingent of 42 from the Chokoma Mound Council to an explorer conference of Region Seven Friday, Saturday and Sunday, May 3-7, at the Great Lakes, Ill., Naval Training Station.

Other adults participating will be Richard Wohlschlag of Collinsville, council explorer chairman, and Fred Lewis of Edwardsville, an explorer adviser. Local explorers attending will be Kenneth Baker, Tom Bickel, Larry Bowman, Tom Cox, William Zaker, Robert Ennis, Mike Gavin, James Gray, Jim Harsh, Thomas Jones, Robert King, Al Lenzi, Russell Marti, George Moore, David Paul, Mike Sollenberger, Philip Tempel and William Tinsley. Granite City: Jim Harrison and Dave McIlroy, both of Madison; and Frank Bartlett and James Kutz, both of Venice.

Also participating will be seven boys from Edwardsville, six from Collinsville, two from Troy and two from Glen Carbon. "Exploring Our Founding Faith" will be the conference theme, with the goal of affording insight into the national purpose and understanding of forces inimical to liberty and justice. It is hoped that explorer scouts everywhere will "be prepared" to defend freedom by carrying forward the beliefs that "give America its strength and the world its hope," Brown explained.

Speakers will include Dr. Daniel Posin, professor of science at DePaul University; Joseph Owens, former track and field star; H. Rose Bartle, mayor of Kansas City and a veteran scout; Commander Thomas J. Keane, pioneer in the exploring program; Frank W. Braden, regional scout leader; and J. H. Browne, national director of exploring. Also appearing will be Brenda Lee, recording artist.

Navy School Graduate
Horace K. Browning, fire control technician first class, USN, and scout leader, and J. H. Browne, national director of exploring, 2158 Cleveland blvd., was graduated recently from the fire control technician school at the Naval Training Center, Great Lakes.

Engineer Depot Commended By Granite City Park Board

A resolution, commending the Granite City Engineer Depot for its cooperation in providing recreation facilities to the residents of the city, was adopted by Granite City park district commissioners at a meeting Thursday evening.

Barry Loman, president of the park board, said a copy of the resolution is being forwarded to Col. Jack C. Jeffrey, depot commander, who was instrumental in completing the arrangement for Granite Cityans to use the depot golf course.

The resolution points out that one of the primary concerns of the park district is to provide recreation facilities within its boundaries, and that "commending officers of the Granite City Engineer Depot have displayed a keen concept of good public

relations by the development and maintenance of a nine-hole golf course on the depot property by reclaiming waste land that has been only a mosquito breeding place and making it into a golf course which is available to residents of the park district."

Without the arrangement, Loman said, local residents would not have had a golf course available within a radius of a number of miles.

The resolution continues, "Col. Jeffrey, by his actions, has shown that it is possible for the military and civilian population to exist in harmony as good neighbors and that the military is capable of sound financial management which promotes the use of the taxpayer's dollar by allowing both military and civilian personnel to use the golf course."

16-Cent Per Capita Fire Loss In Venice

Fire losses in Venice dropped to \$935, only 16 cents per capita, during the first quarter of 1961, a report by Fire Chief Michael Leatherman discloses.

The damage from fires amounted to \$830 on buildings worth \$39,050 and \$405 on contents valued at \$20,500.

The month's calls included five dwellings, a shed, five glass fires, four involving flues and stoves, two autos, one fire on railroad property, one commercial building, one out-of-town call and two false alarms.

Average response by members of the volunteer department was 12.4 men.

Mayor John E. Lee has praised the department for the low loss rate and attributes the level of participation partly to the installation of special radios in each fireman's home, enabling the members to learn quickly of fire locations.

WARNOCK CLUB MEETS

Mrs. Carrie Durante entertained the Warnock Neighborhood club Thursday evening in her home on Terminal avenue.

Games were enjoyed, and a supper was served to Mrs. Peggy Heifer, Mrs. Fay Ryan, Mrs. Edith Feinmeyer, Mrs. Mary Cannon, Mrs. Harry Jones, Mrs. Marilyn Dubrow, Mrs. Ruby Heifer, Mrs. Pearl Ryan, Mrs. Betty Stroder and Mrs. Juanita Spray.

Mrs. Feinmeyer will entertain in two weeks in her home on Warnock avenue.

Mrs. Pauline Perkins was hostess to the Lucky Ten Plus Canasta club Friday in her home on Greenwood street in Madison.

Games were enjoyed and everyone received a prize. The hostess served a late dessert course to Madames Fay Ryan, Dorothea Peach, Marguerite Warren, Clara Warren, Lois Parker, Virginia Morrison and Virginia Ahrens.

Mrs. Parker will be the hostess in May in her home on Niedringhaus avenue.

MRS. FRAZIER HOSTESS

The Koffie Klatchers were entertained by Mrs. Helen Frazier in her home, 2542 Lincoln avenue, Thursday. Games were enjoyed and prizes were awarded to Mrs. Dorothy Valley and Mrs. Marge Benner.

A surprise birthday party was held in honor of Mrs. Helen Frazier, and she was presented with gifts. A birthday cake was served.

Election of officers was held for the next six months. President will be Mrs. Fay Valley, secretary Mrs. Dorothy Valley, and treasurer, Mrs. Jo Ann Wilkinson. Other members taking part were Mrs. Linda Donaldson and Mrs. Pat Sanders. Mrs. Marge Frazier invited the club to her home, 2708 Lincoln avenue, next month.

BACKYARD CAMP

Girl Scout Troop 85 of the Wilson school PTA enjoyed a backyard overnight campout Friday and Saturday on the lawn of the leader, Mrs. Virginia Jenkins, 2412 St. Clair avenue, with the co-leader, Mrs. Jean Beatty, assisting.

Tents were assembled and the girls cooked their meals outside. Taking part were Cathy Yaeger, Vera Corley, Beverly Schwendemann, Suzanne Schalkham, Susie Enser, Shelby Bone, Peggy West, Wendy Richards, Kathy Lewis, Joyce Kirby, Roberta Marcus, Sharon Azari, Cheryl Landis, Kay Jenkins, Jeanne McGee and Elaine Roberson.

Cub Pack Two met Wednesday evening at Niedringhaus school. The program started with presentation of the American Flag and the pack flag. Songs were then sung by the cub scouts, their parents and friends.

William Coyle, institutional representative, gave out membership cards to committeemen, den mothers, cubmasters and the cub scouts. He also will be presented to the sponsoring association.

Scout Fair To Open Here Friday

A wide variety of scouting skills will be demonstrated at the annual scout fair of the Catholic Mount Council in Venice this weekend. Hours will be 7 p.m. to 10 p.m. Friday and 1 p.m. to 10 p.m. Saturday.

A series of small tents will be set up, and scout units also will use the Venice school, Boy Scout home and American Legion buildings in the 700 block of Broadway. Attendance numbering in the thousands is expected.

House Approves Bill On School Treasurers

The Illinois House Thursday approved a bill to abolish the office of township school treasurer. It would affect eight large downstate counties.

It applies to St. Clair, Madison, DuPage, Peoria, Kane, Lake, Winnebago and Will counties. Of these, Madison and St. Clair currently have township school treasurers and treasurers.

Under the legislation, which awaits Senate consideration, school boards would appoint the school treasurers.

Rep. Charles Clabaugh, of Champaign, chairman of the Illinois School Problems Commission, said the township school treasurer office was abolished in 1951 in all downstate counties with the exception of those exceeding 185,000 population.

The new bill raises the figure to 1 million population.

Other counties listed are involved because of population gains noted in the 1960 census.

300 To Attend MCBA 'Day Of Prayer' Here

A "Day of Prayer" program for Madison County Baptist Association is to be held at 7:30 p.m. tomorrow in Suburban Baptist Church with 300 expected to attend.

Rev. James Reaman of Edwardsville will lead congregational singing and the scripture and prayer will be led by Rev. Keith Stanford. Five-minute talks following will make up a missionary symposium, including Pontoon Chapel, Rev. Gus Falter; Pleasant Ridge Chapel, Rev. Charles Taylor; Chain of Rocks Chapel, Elmer McElroy; Lincoln Place Mission, Miss Francis Diaz; recreation, Bill Crabtree; Negro vacation Bible school, Rev. W. L. Showers; associational finances, Chester McMunaway; welfare, Earl Phelps and new fields, Rev. W. J. Richardson.

There will be special music by Calvary Baptist Church and William Patterson will sing "Then Jesus Came." Rev. Wilbert Snider will have the roll call and attendance goals and the program will conclude with the message, "Mastering Mission," by Rev. Howard White of Third Baptist Church.

During the day Women's Missionary Unions of the associational churches will have special prayer services.

tion. A discussion centered around the scout fair.

Pack two is sponsored by the Granite City Association for Aid to Retarded Children. Refreshments were served and the club closed the program with a "living circle."
